

Career Services Assignment 4 – Soft Skill Interview Prep

Instructions: Find a job post online for a role and company you would like to apply for. Answer the following questions as if you were being interviewed for the job. Research the STAR method of answering behavioral interview questions and where applicable, utilize the STAR method in answering the below questions.

How did you hear about this position? (Make sure you remember where you heard about the role so it doesn't look like you are just applying randomly to every position possible.)

when I wanted to learn coding, I searched many videos on YouTube and everyone recommended freecodecamp as one of the best learning site for self-teaching.

What do you know about the company? (Research the company, website, products/services, and reviews. Talk about good reviews that make you want to join.)

As a student I have seen how this company has dedicated its effort to provide the best resources so that anyone who wants to learn to code can do it in a very detailed way and at their own pace.

Why do you want this job? (Be very specific. Talk about what appeals to you about the role but focus more on the value you'll add to the team and company rather than what the company will do for you.)

grateful for the time that others have taken to facilitate this course for free, I would be very happy to belong to this group and contribute everything I have learned to help others acquire the necessary knowledge to be competent in the field.

Why should we hire you? (Be very specific. Talk about your skills, passion, and willingness to continuously learn to be an asset.)

I strongly believe that it is better to give than to receive and I know that jobs like these tend to pay well, but my motivation to join this company goes beyond what I can earn. It is motivated by gratitude and the great interest to give to others who are like I once was before I found this company. It is more than my duty to ensure that they can learn in an easy and simple way all these programming languages.
